Dear Parent

Please see below important instructions re First Communion Photographs

Lafayette Photography have been appointed as the official photographers for your child's First Communion day. To improve the delivery of the service, this year Lafayette photography will be providing the photography service on the day via the Lafayette Photography website. This means that if you would like to have photographs taken in school after the ceremony, you should go to www.lafayettephotography.eu by the Wednesday evening (9th May), preceding your child's Communion day. This will enable you to view proofs and order, if you so wish, your child's photograph on the website a few days after the event.

It is important you register before the event if you wish to have your child's photograph taken. Please note, to avoid delays on the day of the ceremony, no payment facilities will be available at the venue.

Yours sincerely

PAUL DUGGAN
