4 November 2015

Dear Parents

After school activities will commence next week, Monday 9th November and will continue until week beginning 7th December. There is a charge of £10 per activity for the 5 weeks for all classes apart from Irish dancing and handball which have separate arrangements. There is no charge for Gaelic and Hurling. If your child will be attending, please complete the form attached (also available on the school website) and send in the fee in an envelope clearly marked with his/her name and chosen activity. Separate arrangements continue for payment for Irish dancing and handball.

The coin count for Marie Curie raised £530. Thanks to all who donated.

If you are entitled to Free School Meals we would encourage you to apply as soon as possible. Forms are available in the office. Applications must be made each school year as they do not carry over from one year to the next. Our external funding, separate from DE funding, is dependent on our Free School Meals percentage.

We would remind you to adhere to our uniform policy. School uniform should be worn on all days except when there is P.E.

The flu vaccine will be given next Monday 9th November to all those children who have returned consent forms.

We are delighted that we have been successful in our entry to the BT Young Scientist of the Year 2016 in the RDS Dublin where we will be demonstrating the effects of static electricity on hair.

Yours sincerely

PAUL DUGGAN
Principal
